

INNOVATION LANDSCAPE & OPPORTUNITY ACCESS NETWORKING SESSION

2026 Ecosystem Networking Session –
Friday, 27 February 2026
09:00 – 13:00

A hybrid ecosystem networking session designed to provide practical insights into innovation opportunities in the Northern Cape, available innovation support pathways, funding and development opportunities, and access to ecosystem partners. The session will also provide real innovation journey insights and direct onboarding pathways into NCIF support and mentorship programmes.

Session 3: Exploring the Northern Cape Innovation Landscape, Opportunity Pathways, Ecosystem Support and Programme Onboarding

SESSION HIGHLIGHTS

- Northern Cape Innovation Ecosystem Overview
- Provincial Innovation Opportunities & Sector Focus Areas
- Innovation Funding & Development Support Pathways
- Innovation Journey Insights from a rural Innovator
- NCIF Programme & Mentorship Onboarding Pathways

WHO SHOULD JOIN?

- Innovators (Idea to Commercialisation Stage)
- Startups and Technology-based MSMEs
- Students and Researchers
- Innovation and Enterprise Support Organisations
- Government and Development Stakeholders

ABOUT THE SERIES

This session supports provincial innovation pipeline development by improving awareness of opportunities, strengthening ecosystem collaboration and providing clear pathways into innovation support, mentorship and development programmes. Participants will also gain insight from a commercialised Northern Cape innovation journey.
