**25. CONFLICT OF INTEREST, CORRUPTION AND FRAUD**

**26. MISREPRESENTATION DURING THE LIFECYCLE OF THE CONTRACT**

The bidder should note that the terms of its proposal will be incorporated in the proposed contract by reference and that DTSL relies upon the bidder's proposal as a material representation in making an award to a successful bidder and in concluding an agreement with the bidder.

It follows therefore that misrepresentations in a proposal may give rise to service termination and a claim by DTSL against the bidder notwithstanding the conclusion of the Service Level Agreement between DTSL and the bidder for the provision of the Service in question. In the event of a conflict between the bidder's proposal and the Service Level Agreement concluded between the parties, the Service Level Agreement will prevail.

**27. PREPARATION COSTS**

The Bidder will bear all its costs in preparing, submitting and presenting any response or Tender to this bid and all other costs incurred by it throughout the bid process. Furthermore, no statement in this bid will be construed as placing DTSL, its employees or agents under any obligation whatsoever, including in respect of costs, expenses or losses incurred by the bidder(s) in the preparation of their response to this bid.

**28. INDEMNITY**

If a bidder breaches the conditions of this bid and, as a result of that breach, DTSL incurs costs or damages (including, without limitation, the cost of any investigations, procedural impairment, repetition of all or part of the bid process and/or enforcement of intellectual property rights or confidentiality obligations), then the bidder indemnifies and holds DTSL harmless from any and all such costs which DTSL may incur and for any damages or losses DTSL may suffer.

**29. PRECEDENCE**

This document will prevail over any information provided during any briefing session whether oral or written, unless such written information provided, expressly amends this document by reference.

**30. LIMITATION OF LIABILITY**

A bidder participates in this bid process entirely at its own risk and cost. DTSL shall not be liable to compensate a bidder on any grounds whatsoever for any costs incurred or any damages suffered as a result of the Bidder's participation in this Bid process.

### **31. TAX COMPLIANCE**

No tender shall be awarded to a bidder who is not tax compliant. DTSL reserves the right to withdraw an award made, or cancel a contract concluded with a successful bidder in the event that it is established that such bidder was in fact not tax compliant at the time of the award, or has submitted a fraudulent Tax Clearance Certificate to DTSL, or whose verification against the Central Supplier Database (CSD) proves non-compliant. DTSL further reserves the right to cancel a contract with a successful bidder contract.

### **32. TENDER DEFAULTERS AND RESTRICTED SUPPLIERS**

No tender shall be awarded to a bidder whose name (or any of its members, directors, partners or trustees) appear on the Register of Tender Defaulters kept by National Treasury, or who have been placed on National Treasury's List of Restricted Suppliers. DTSL reserves the right to withdraw an award, or cancel a contract concluded with a Bidder should it be established, at any time, that a bidder has been blacklisted with National Treasury by another government institution.

### **33. GOVERNING LAW**

South African law governs this bid and the bid response process. The bidder agrees to submit to the exclusive jurisdiction of the South African courts in any dispute of any kind that may arise out of or in connection with the subject matter of this bid, the bid itself and all processes associated with the bid.

### **34. RESPONSIBILITY FOR SUB-CONTRACTORS AND BIDDER'S PERSONNEL**

In the event that DTSL allows a bidder to make use of sub-contractors, such sub-contractors will at all times remain the responsibility of the bidder and DTSL will not under any circumstances be liable for any losses or damages incurred by or caused by such sub-contractors.

### **35. CONFIDENTIALITY**

Except as may be required by operation of law, by a court or by a regulatory authority having appropriate jurisdiction, no information contained in or relating to this bid or a bidder's tender(s) will be disclosed by any bidder or other person not officially involved with DTSL's examination and evaluation of a Tender.

No part of the bid may be distributed, reproduced, stored or transmitted, in any form or by any means, electronic, photocopying, recording or otherwise, in whole or in part except for the purpose of preparing a Tender. This bid and any other documents

**Supply and delivery of uniform to the insourced security personnel**

supplied by DTSL remain proprietary to DTSL and must be promptly returned to DTSL upon request together with all copies, electronic versions, excerpts or summaries thereof or work derived there from.

Throughout this bid process and thereafter, bidder(s) must secure DTSL's written approval prior to the release of any information that pertains to (i) the potential work or activities to which this bid relates; or (ii) the process which follows this bid. Failure to adhere to this requirement may result in disqualification from the bid process and civil action.

**36. DTSL PROPRIETARY INFORMATION**

**37. AVAILABILITY OF FUNDS**

Should funds no longer be available to pay for the execution of the responsibilities of this bid (RFQ/DTSL 23/24/06) the DTSL may terminate the Agreement at its own discretion or temporarily suspend all or part of the services by notice to the successful bidder who shall immediately make arrangements to stop the performance of the services and minimize further expenditure: Provided that the successful bidder shall there upon be entitled to payment in full for the services delivered, up to the date of cancellation or suspension
