2. PURPOSE OF THIS REQUEST FOR QUOTATION (RFQ)

The purpose of this Request for Quotation (RFQ) is to solicit quotations from potential bidder(s) for the procurement of stationery and cleaning material for Britstown Traffic office.

This RFQ document details and incorporates, as far as possible, the tasks and responsibilities of the potential bidder required by DTSL for the procurement of stationery and cleaning material for Britstown Traffic office.

3. LEGISLATIVE FRAMEWORK OF THE BID

This RFQ has been prepared in accordance with Public Finance Management Act, 1999 (Act, No.1 of 1999) and its Regulations, and all relevant procurement legislation. If there is contradiction with this legislation, the ACT will prevail.

3.1 Tax Legislation

3.1.1 Bidder(s) must be tax compliant at the time of awarding of the bid. It is a condition of this bid that the tax matters of the successful bidder be in order, or that satisfactory arrangements have been made with South African Revenue Service (SARS) to meet the bidder's tax obligations.

3.1.2 The Tax Compliance status requirements are also applicable to foreign bidders / individuals who wish to submit bids.

3.1.3 It is a requirement that bidders grant a written confirmation when submitting this bid that SARS may on an ongoing basis during the tenure of the contract disclose the bidder's tax compliance status and by submitting this bid such confirmation is deemed to have been granted.

3.1.4 Bidders are required to be registered on the Central Supplier Database (CSD) and the DTSL shall verify the bidder's tax compliance status through the Central Supplier Database.

3.2 Procurement Legislation

3.2.1 DTSL has a detailed evaluation methodology premised on Treasury Regulation 16A3 promulgated under Section 76 of the Public Finance Management Act, 1999 (Act, No. 1 of 1999), the Preferential Procurement Policy Framework Act 2000 (Act, No.5 of 2000) and Preferential Procurement Regulation of 2022, the Broad-Based Black Economic Empowerment Act, 2003 (Act, No. 53 of 2003) and the Reconstruction and Development Programme

Procurement of stationery and cleaning material for Britstown Traffic office

(RDP) as published in Government Gazette No. 16085 dated 23 November 1994.

3.2.2 In line with the Preferential Procurement Regulation of 2022, DTSL will hereby use specific goals determined by the department to advance the objectives of the department. All tenders will be evaluated in accordance with specific goals.

3.3 Technical Legislation and/or Standards

Bidder(s) should be cognisant of the legislation and/or standards specifically applicable to the services.

4. BRIEFING SESSION

No briefing session will be held for this tender as the specification as set out are very detailed and does not require a briefing session. The bid documents may be obtained from the SCM office of DTSL provincial office or downloaded from www.dtsl.gov.za. **Clarity seeking questions relating to the bid can be sent in writing to dmqhum@ncpg.gov.za.**

5. TIMELINE OF THE BID PROCESS

The period of validity of the RFQ and the withdrawal of offers, after the closing date and time is 30 days. The bidder accepts that, if DTSL extends the deadline for bid submission (the Closing Date) for any reason, the requirements of this bid otherwise apply equally to the extended deadline.

6. CONTACT AND COMMUNICATION

6.1 A nominated official of the bidder(s) can make enquiries in writing to dmqhum@ncpg.gov.za. The delegated office of DTSL may communicate with Bidder(s) where clarity is sought in the bid proposal.

6.2 Any communication to an official or a person acting in an advisory capacity for DTSL in respect of the bid between the closing date and the award of the bid by the Bidder(s) is discouraged.

6.3 All communication between the Bidder(s) and DTSL must be done in writing.

6.4 Whilst all due care has been taken in connection with the preparation of this bid, DTSL makes no representations or warranties that the content of the bid or any information communicated to or provided to Bidder(s) during the bidding process is, or will be, accurate, current or complete. DTSL and its employees and advisors will not be liable with respect to any information communicated which may not be accurate, current or complete.

6.5 If Bidder(s) finds or reasonably believes it has found any discrepancy, ambiguity, error or inconsistency in this bid or any other information provided by DTSL (other than minor clerical matters), the Bidder(s) must promptly notify DTSL in writing of such discrepancy, ambiguity, error or inconsistency in order

Procurement of stationery and cleaning material for Britstown Traffic office

to afford DTSL an opportunity to consider what corrective action is necessary (if any).

- 6.6 Any actual discrepancy, ambiguity, error or inconsistency in the bid or any other information provided by DTSL will, if possible, be corrected and provided to all Bidder(s) without attribution to the Bidder(s) who provided the written notice.
- 6.7 All persons (including Bidder(s)) obtaining or receiving the bid and any other information in connection with the Bid or the Tendering process must keep the contents of the Bid and other such information confidential, and not disclose or use the information except as required for the purpose of developing a proposal in response to this bid.

7. LATE BIDS

8. COUNTER CONDITIONS

Bidders' attention is drawn to the fact that amendments to any of the Bid Conditions or setting of counter conditions by Bidders or qualifying any Bid Conditions will result in the invalidation of such bids.

9. FRONTING

- 9.1. Government supports the spirit of broad based black economic empowerment and recognizes that real empowerment can only be achieved through individuals and businesses conducting themselves in accordance with the Constitution and in an honest, fair, equitable, transparent and legally compliant manner. 22. MISREPRESENTATION DURING THE LIFECYCLE OF THE CONTRACT

The bidder should note that the terms of its proposal will be incorporated in the proposed contract by reference and that DTSL relies upon the bidder's proposal as a material representation in making an award to a successful bidder and in concluding an agreement with the bidder.

It follows therefore that misrepresentations in a proposal may give rise to service termination and a claim by DTSL against the bidder notwithstanding the conclusion of the Service Level Agreement between DTSL and the bidder for the provision of the Service in question. In the event of a conflict between the bidder's proposal and the Service Level Agreement concluded between the parties, the Service Level Agreement will prevail.

If a bidder breaches the conditions of this bid and, as a result of that breach, DTSL incurs costs or damages (including, without limitation, the cost of any investigations, procedural impairment, repetition of all or part of the bid process and/or enforcement of intellectual property rights or confidentiality obligations), then the bidder indemnifies and holds DTSL harmless from any and all such costs which DTSL may incur and for any damages or losses DTSL may suffer.

25. PRECEDENCE

This document will prevail over any information provided during any briefing session whether oral or written, unless such written information provided, expressly amends this document by reference.

27. TAX COMPLIANCE

No tender shall be awarded to a bidder who is not tax compliant. DTSL reserves the right to withdraw an award made, or cancel a contract concluded with a successful bidder in the event that it is established that such bidder was in fact not tax compliant at the time of the award, or has submitted a fraudulent Tax Clearance Certificate to DTSL, or whose verification against the Central Supplier Database (CSD) proves non-compliant. DTSL further reserves the right to cancel a contract with a successful bidder contract.

28. TENDER DEFAULTERS AND RESTRICTED SUPPLIERS

No tender shall be awarded to a bidder whose name (or any of its members, directors, partners or trustees) appear on the Register of Tender Defaulters kept by National Treasury, or who have been placed on National Treasury's List of Restricted Suppliers. DTSL reserves the right to withdraw an award, or cancel a contract concluded with a Bidder should it be established, at any time, that a bidder has been blacklisted with National Treasury by another government institution.

In the event that DTSL allows a bidder to make use of sub-contractors, such sub-contractors will at all times remain the responsibility of the bidder and DTSL will not under any circumstances be liable for any losses or damages incurred by or caused by such sub-contractors.

31. CONFIDENTIALITY

Except as may be required by operation of law, by a court or by a regulatory authority having appropriate jurisdiction, no information contained in or relating to this bid or a bidder's tender(s) will be disclosed by any bidder or other person not officially involved with DTSL's examination and evaluation of a Tender.

No part of the bid may be distributed, reproduced, stored or transmitted, in any form or by any means, electronic, photocopying, recording or otherwise, in whole or in part except for the purpose of preparing a Tender. This bid and any other documents supplied by DTSL remain proprietary to DTSL and must be promptly returned to DTSL upon request together with all copies, electronic versions, excerpts or summaries thereof or work derived there from.

Throughout this bid process and thereafter, bidder(s) must secure DTSL's written approval prior to the release of any information that pertains to (i) the potential work or activities to which this bid relates; or (ii) the process which follows this bid.
