The bidder should note that the terms of its proposal will be incorporated in the proposed contract by reference and that DTSL relies upon the bidder's proposal as a material representation in making an award to a successful bidder and in concluding an agreement with the bidder.

It follows therefore that misrepresentations in a proposal may give rise to service termination and a claim by DTSL against the bidder notwithstanding the conclusion of the Service Level Agreement between DTSL and the bidder for the provision of the Service in question. In the event of a conflict between the bidder's proposal and the Service Level Agreement concluded between the parties, the Service Level Agreement will prevail.

No tender shall be awarded to a bidder who is not tax compliant. 34. CONFIDENTIALITY

Except as may be required by operation of law, by a court or by a regulatory authority having appropriate jurisdiction, no information contained in or relating to this bid or a bidder's tender(s) will be disclosed by any bidder or other person not officially involved with DTSL's examination and evaluation of a Tender.

No part of the bid may be distributed, reproduced, stored or transmitted, in any form or by any means, electronic, photocopying, recording or otherwise, in whole or in part except for the purpose of preparing a Tender. This bid and any other documents supplied by DTSL remain proprietary to DTSL and must be promptly returned to DTSL upon request together with all copies, electronic versions, excerpts or summaries thereof or work derived there from.
