

INTERNSHIP PROGRAMME 2017/18

The Provincial Department of Health invites graduates who seek practical work experience and unemployed graduates who are interested in public service career to apply for internship (an occupationally-based work experience opportunity) in the occupations mentioned below for a minimum of twelve months. The applicants must not have been exposed to work experience in their area of study or have participated in an internship programme in a government department. The Department aims to enhance the employability of unemployed graduates as potential employees through this internship programme. The graduates should be between the age of 18 – 35 years.
