Dear Colleagues

Re: EMPLOYEE PERFORMANCE MANAGEMENT AND DEVELOPMENT SYSTEM (EPMDS) POLICY

The Employee Performance Management and Development System Policy was developed and approved by the Office of the Premier on the 26 June 2010. It was agreed at the Bargaining Chamber that the EPMDS is a transversal policy, which will be applicable to all sector departments within the Northern Cape Provincial Administration.

The attached policy must then henceforth be implemented by all employees of the Northern Cape Department of Health.

Regards,

Ms G.E Matlopane
