THE BENEFITS OF REGISTERING FOR CENSUS 2022

Respondents get to choose an option for their preferred mode of completing Census Questionnaire – online, by telephone, or to be visited by a Census fieldworker.

If you choose online questionnaire completion, you get to do this datafree at your own convenience anywhere you are — within the predetermined dates.

If you opted for telephonic questionnaire completion, then you can choose the time that is convenient to you during which a Stats SA official will call you to complete the questionnaire.

If you prefer to be visited by a census fieldworker, the questionnaire completion will be conducted at the comfort of your own home – with strict adherence to the COVID-19 protocols by Stats SA fieldstaff.
